STATEMENT REGARDING CLAIMS TO BE EXAMINED

The national phase of this application was entered on September 29, 2006 along with a Preliminary Amendment. The English translation was filed on May 11, 2007. Thus, there were two sets of claims: an earlier set filed with the Preliminary Amendment, and a later set which was part of the English translation, and a question arose as to which claims should be examined.

Applicant advises that the claims filed on September 29, 2006, as the Preliminary Amendment, are the claims which should be examined.

The undersigned attorney thanks the examiner for the courtesy extended in the telephone calls to the undersigned regarding the above.

If the Examiner has any questions that can be answered by telephone, please contact the undersigned attorney of record at the telephone number listed below.

Respectfully submitted,
